COMPANY PROFILE 2026

Indonesia's drone show specialist.

Drone light shows & pyro performance for brands, festivals and weddings.

PUBG Mobile 8th Anniversary · Surabaya · MURI record, 1,500 drones

We design and fly stories across the night sky.

iDrone is a drone light show specialist based in Jakarta since 2023. We design, produce and fly custom aerial choreography for brands, festivals, weddings and private celebrations.

Concept, animation, simulation and show day are handled by one production team.

50+

shows delivered since 2023

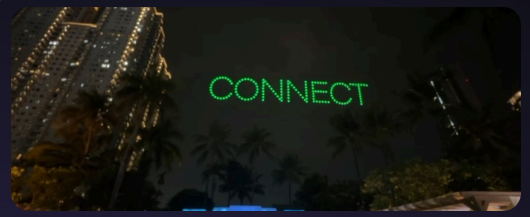

150–500

drones — the scale we fly most often

150 500

14 of our 18 shows since 2025 fall in this range.

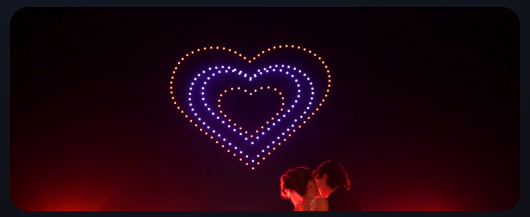

MURI RECORD 1,500 drones · PUBG Mobile, Surabaya 2026

150 drones Pertamina Lubricants Summit

150 drones Susan's birthday

200 drones Christina & Andrew

300 drones Djakarta Warehouse Project

Three ways to fill the sky.

Drone light show

Logos, characters and brand messages choreographed in light, designed from your brief.

Product launches · festivals · corporate events · city celebrations

Pyro performance

Drones carry aerial pyrotechnic effects for a bigger finale. Colour smoke for daytime concepts, subject to site assessment.

Finales · weddings · headline nights

AfterGlow

iDrone's service for weddings and private celebrations: initials, monograms and the couple's moments in the sky.

Weddings · proposals · birthdays

30 shows in our portfolio, 2023–2026.

Every show on the next pages is on our website portfolio. Click any title to open it.

Jakarta · Bali · Surabaya · Yogyakarta · Magelang · Bintan · Lido

MURI RECORD

PUBG Mobile 8th Anniversary

1,500

drones · 15 closing formations

Surabaya · Mar 2026

View the show →

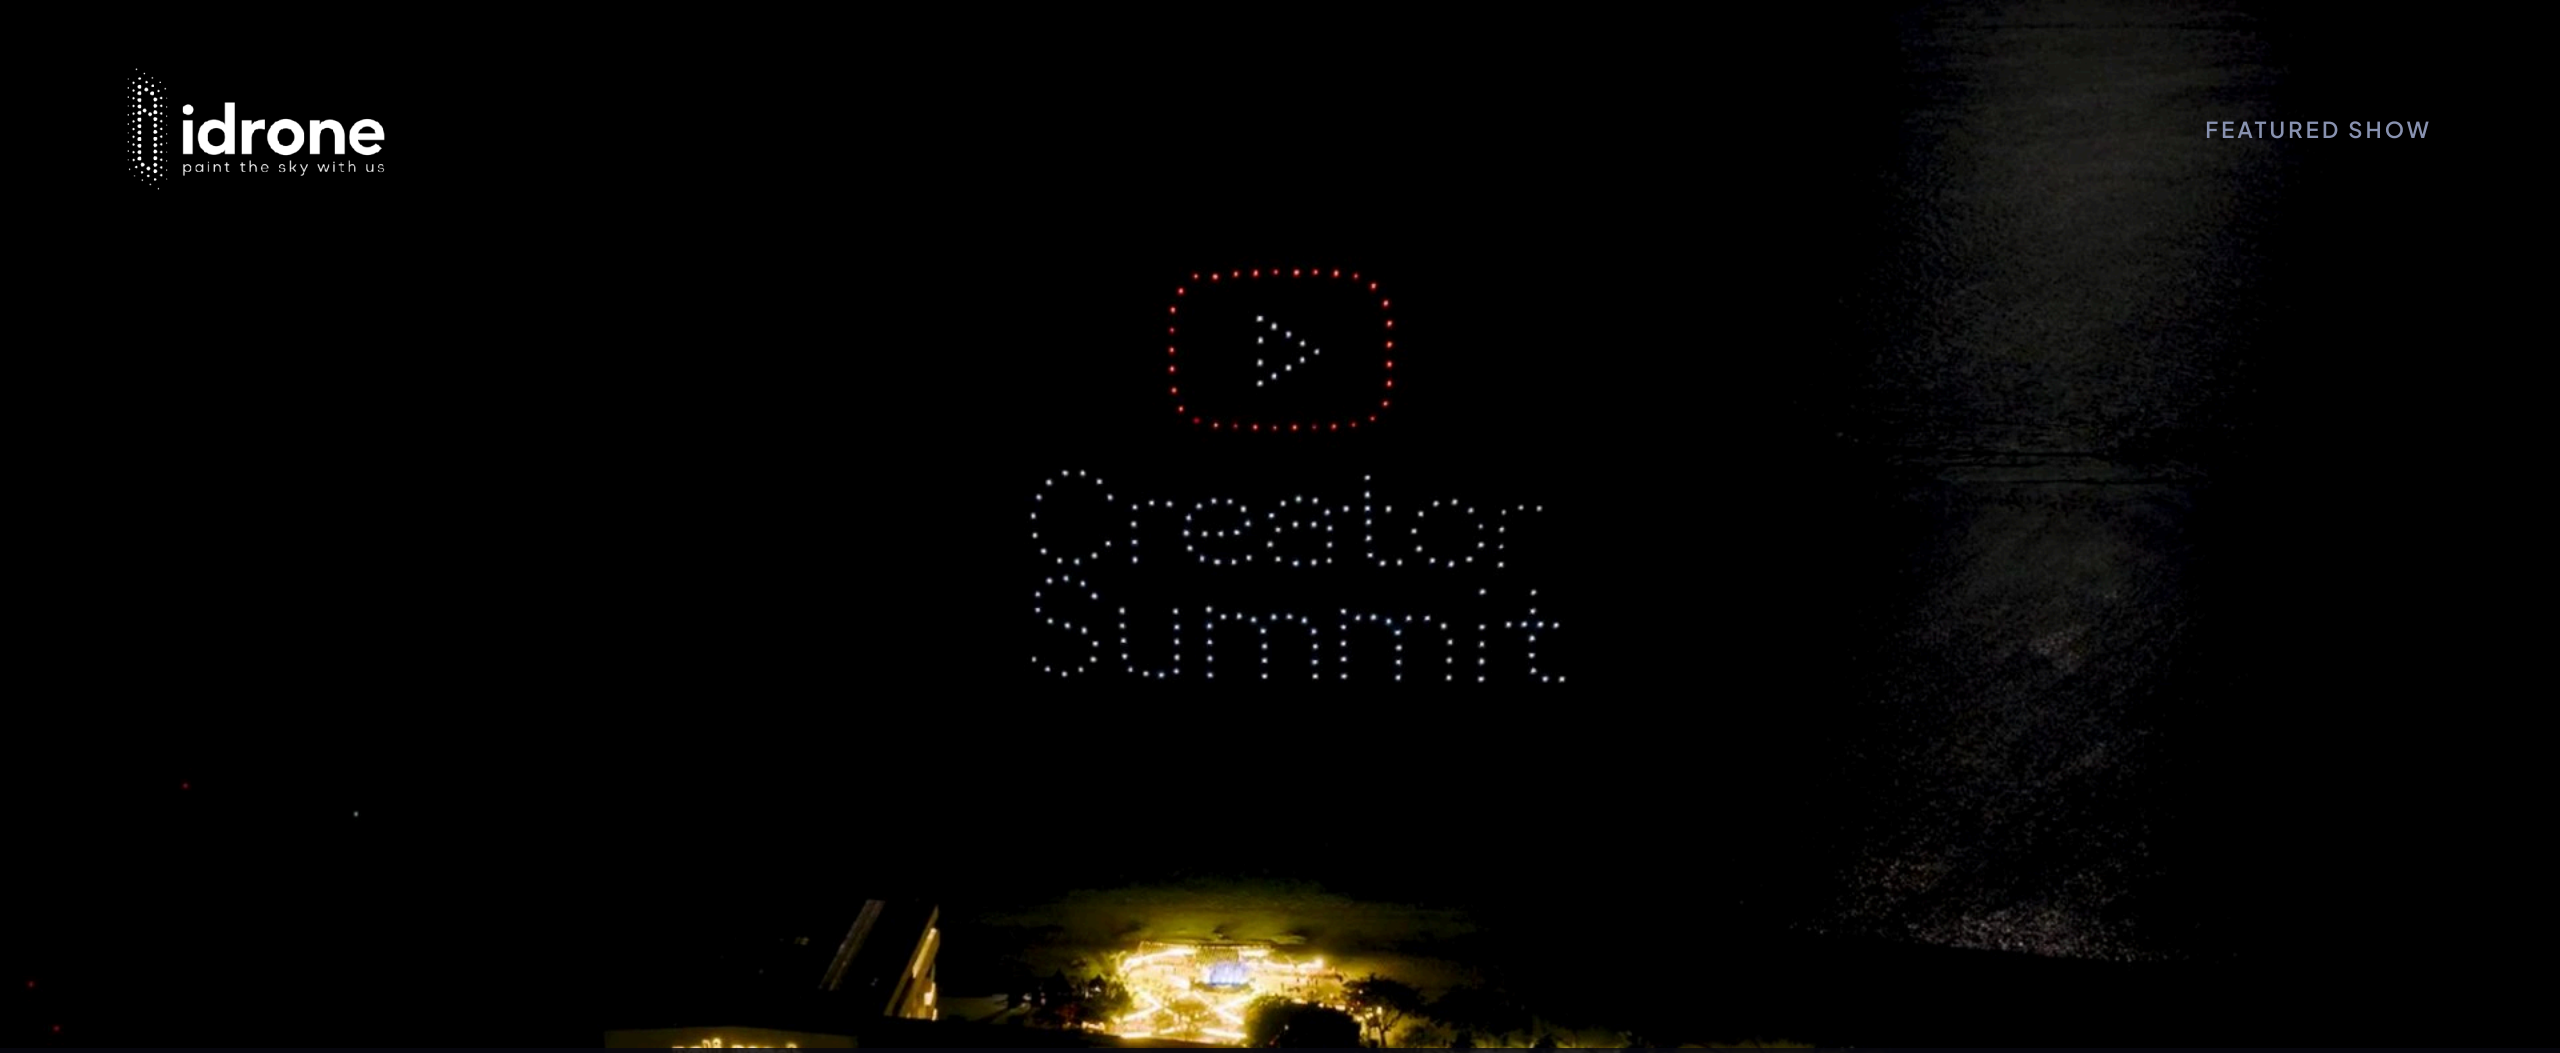

Opened by a 500-drone show the same night. Drones were counted by hand on the ground, and MURI officials witnessed the take-off.

Pyrodrones

Since August 2026, iDrone has flown drones carrying pyrotechnic effects for finale moments.

J & E
8 Aug 2026 · 200 drones · Sofitel Nusa Dua, Bali iDrone's first pyrodrones show in Bali

Christina & Andrew
30 Aug 2026 · 200 drones Alila Villas Uluwatu, Bali

From brief to sky.

01

Brief

Event goal, date, venue and the story you want to tell.

02

Proposal

Visual concept, drone count, scope and cost.

03

Animation

Formations choreographed to the brief.

04

Simulation

3D review and design sign-off before show day.

05

Show day

Site survey, field setup and the show itself.

Pyrodrones operations

Covered by SORA-based operational authorization since late July 2026, subject to document conditions and site and event approval.

Operational authorization, not pyro certification.
